BRICK BUILDERS' EVENT

January 11 @ 11:45am, Fellowship Hall

Do you enjoy building with Legos, Duplos, Building Bricks, even Micro Mini builds? Come join others at church with a free lunch, a fun time building, competing, all under the umbrella of building a foundation in Christ. We will have some trivia time to test your knowledge. We will have some time to build with a purpose and some time to freely build. This is a great event to invite friends and neighbors to. Contact Kaja Mueller with questions, kaja@ourredeemer.org

Sunday Coffee & Treats

This Sunday's coffee and treats are being provided by the Connections Committee. Come join us in the Gathering Place for a little fellowship before Sunday School and Adult Bible Class.

Building Healthy Families: What do da Vinci's "Mona Lisa," van Gogh's "Starry Night," and "You," have in common? Yep - all three are masterpieces, but an even greater Master Craftsman created you! God formed you in your mother's womb and knew you before you were born. You may see clumsy big feet with ingrown toenails, expanding thighs, or a receding hairline. He sees and loves what He created...a one-of-a-kind, unique you. Be careful not to paint the creation He designed with your own brush of negativity, inferiority, or shame. Thank God for and take good care of the body, mind, and spirit you have! *"For we are God's handiwork..." Ephesians 2:10*

Mission Trip to Eswatini

May 31 – June 13, 2026

Cost: \$3,900 per person

(1/3 you pay; 1/3 you fundraise; 1/3 church pays)

Contact: Anita Nicholson (anita-nicholson@uiowa.edu)

Deadline to confirm: February 2, 2026

To sign up, submit a \$100 check. Space is limited!

Limit: 14 people (total)

The purpose of this mission trip is to explore and support Christian faith and spirituality as vital components of holistic care for the people of Eswatini.

We will volunteer with rural faith-based nongovernmental organizations (NGOs) that integrate spirituality and hope as they provide care to vulnerable communities. The church has supported these organizations through prayer and fundraising efforts.

Organizations to collaborate:

World Vision

<https://www.wvi.org/eswatini>

World Vision works to alleviate extreme poverty through programs that provide clean water, sanitation, health services, HIV prevention, education and agriculture support. We will visit the community where many of our members sponsor children.

Faith Community Nursing

Faith Community Nursing promotes holistic health by combining spiritual care with physical and emotional well-being. Nurses provide health education, screenings, and referrals while addressing issues such as HIV, nutrition, and water scarcity. They partner with churches and community groups to improve access to care.

Good Shepherd Catholic Hospital & Home-Based Palliative Care

<https://www.gsch.org.sz>

GSCH provides affordable, high-quality healthcare. Its Home-Based Care program delivers follow-up and palliative care to people living in rural communities affected by HIV/AIDS, cancer, and other serious illnesses, emphasizing holistic, family-centered care.

Operation Hope Eswatini

<https://www.compelledbylove.org.au>

Operation Hope serves orphans and families facing food insecurity, lack of water, and health challenges. Programs include trauma recovery, education, housing, and livelihood support by promoting community empowerment.

Hope Alive 268

<https://www.hopealive268.org>

Hope Alive supports orphaned and vulnerable children through four divisions: Care (meals and safe spaces), Anti-Human Trafficking (education and prevention), Education (scholarships and tutoring), and Crisis Response (food and health campaigns).

Hosea's Heart

<https://hoseasheart.org/about-hoseas-heart/>

Hosea's Heart provides safe housing and holistic care for girls impacted by sex trafficking and abuse. Services include counseling, education, and spiritual support to restore dignity and independence.

Eswatini Travel:

- **Physical Readiness:**

- Walking Ability: Be prepared to walk distances on uneven dirt roads in rural areas.
- Stamina: Expect hilly terrain and variable weather; moderate physical fitness is recommended.
- Footwear: Wear sturdy, closed-toe shoes for rough paths.
- Heat & Hydration: Carry water and stay hydrated; rural areas can be hot and humid.
- Flexibility & Balance: Some areas may require climbing into vehicles or navigating steep slopes.
- Medical Conditions: If you have chronic conditions (e.g., diabetes, hypertension), bring sufficient medication.

- **Health Recommendations:**

- Vaccinations & Preventive Care (make an appointment with a travel clinic)
 - Ensure routine vaccines are up to date (MMR, Tdap, polio, influenza).
 - Recommended vaccines: Hepatitis A & B, Typhoid, and COVID-19.
 - Malaria prophylaxis is essential for rural and lowveld areas—consult your healthcare provider for options (atovaquone-proguanil, doxycycline, or mefloquine).
- Food, Water & Personal Safety
 - Drink bottled, boiled, or filtered water; avoid tap water and ice.
 - Wash fruits and vegetables thoroughly; eat cooked foods when possible.
 - Carry oral rehydration salts for dehydration risk.
 - Use sunscreen, sunglasses, hats, and stay hydrated.
- Protection Against Insects
 - Use insect repellent with DEET or picaridin.
 - Wear long sleeves and pants, especially at dawn and dusk.
- HIV/TB Awareness
 - Eswatini has a high HIV prevalence; avoid exposure to blood or body fluids.
 - TB risk exists in crowded settings—limit prolonged exposure.
- Emergency Preparedness
 - Carry a personal medical kit (prescription meds, pain relievers, anti-nausea medications for travel on bumpy rural roads, bandages, antiseptic).
 - Have comprehensive travel insurance covering medical evacuation.

Plane tickets will be purchased in early February. Before departure, mission trip participants will attend a series of meetings designed to prepare them for the experience. These sessions will cover essential topics such as cultural awareness, health and safety guidelines, and strategies for promoting and supporting Christian faith as an integral part of care for the people of Eswatini. Participants will also learn about the nongovernmental organizations (NGOs) we will collaborate with, including their missions, community impact, and the roles volunteers will fulfill during the trip. In addition, these meetings will provide practical information on travel logistics, packing recommendations, and approaches for engaging respectfully with local communities. This preparation ensures that all participants are informed, confident, and ready to serve effectively during the mission.

Nocturnal animals **are awake and active at night and then sleep during the day**. Some nocturnal animals can be seen during the day, but most of them spend their whole day resting. Examples of nocturnal animals include bats, skunks, aardvarks, and owls. Nocturnal animals sleep during the day for various reasons. Follow the link to guess the nocturnal animal sound.

VOLUNTEER BACKGROUND SCREENING

Our Redeemer Lutheran Church has a strong, caring ministry with children and youth. To promote the safest and most secure environment possible all employees and volunteers, both new and existing, undergo a background screening before working with younger members. Performing background checks provides safeguards and peace of mind to our staff, volunteers, parents, youth, and children.
