

28 Days in Prayer

On your own or with your family, help support the “Enter His Courts” Campaign and the Cross & Entrance Project through prayer each day from April 6 to May 3, Commitment Sunday.

April 6: Lord, with a successful “Enter His Courts” campaign, we will be able to accommodate handicapped people, elderly, and all who wish to enter safely the doors of our church. We pray that You touch the hearts of all our congregation, from the youngest to the oldest, as we know that it’s about equal sacrifice, not equal giving. Amen

April 7: Lord, we pray for the success of our Cross & Entrance Project to make it safer and easier for all to access our church. We want to be a welcoming church for our members, children, and the community. Amen

April 8: Lord, we know that all we have has come from You. Help us to find ways to give back by praying for the leaders of the “Enter His Courts” campaign as they plan events and communicate information to us. Give us open hearts and listening ears to hear what the needs of our church are. Amen

April 9: Lord, our church hallways will be warmer on Wednesday nights for Midweek, our sidewalks will be drier, and our weather issues will be minimized if You grant us a successful “Enter His Courts” campaign. We pray that Your will be done. Amen

April 10: Lord, let us be a source of support and encouragement for others as they seek to do Your will for our “Enter His Courts” campaign. We pray for the leaders of the campaign that they may know our support for them and know that we appreciate all their efforts to plan events and keep us all informed during the next four weeks. Amen

April 11: Lord, security these days is a concern for many of us. The Cross & Entrance Project with double-door entrances will provide safer protection from intruders who are not seeking Your comfort. Help ease our minds of this worry by touching our hearts as we decide our financial giving. Amen

April 12: Lord, let it be known to all of our church members and children, that we are all a part of the “Enter His Courts” campaign. We can pray for our leaders, we can talk with our friends about the improvements to be made, we can help others who are not as well informed about our campaign and speak with them about it. Thy will be done. Amen

April 13: Lord, be with us and unite us in our efforts to replace our existing outdoor cross. It is a reminder of You, Your Son and the Holy Spirit to those driving by and to our own members. The presence of the cross speaks volumes about what Our Redeemer cherishes. Amen

April 14: Lord, we are all Your children and age makes no difference. Help us to realize that small amounts of giving are appreciated just as much as large amounts. We can all contribute to the “Enter His Courts” campaign regardless of age. Amen

April 15: Lord, help us to lift up our Christian friends and discuss with positive outlooks the success of the “Enter His Courts” campaign. Help us be willing to explain our future Cross and Entrance Project to those who may not be as informed. Amen

April 16: Lord, we know that everything we have comes from You although we don't always acknowledge it. Help us to have giving hearts in these coming weeks so that we can support the "Enter His Courts" campaign knowing it's not about equal giving, but rather equal sacrifice. Amen

April 17: Lord, You supply every need of ours according to Your will. Help us to generously supply the needs of the Cross and Entrance Project through our giving to the "Enter His Courts" campaign. Amen
