## **JESUS SAID WHAT?**

Jesus doesn't always tell you what you want to hear. But He always tells you what you need to hear, and even the hard words are a gift given to you in love.

In *Jesus Said What?*, author Christopher Kennedy tackles some of Jesus' words that people may struggle to understand. It may seem easier to avoid some of Jesus' tough sayings, but instead of shying away from these passages, Kennedy urges readers to look to Scripture to understand Scripture.

**Building Healthy Families:** Want to be closer to your spouse, children, or grandchildren? Praying as a couple or as a family is one of the most powerful and intimate things you can do together. Start simply by praying for things you're thankful for, things you need, or things you're worried about. Pray for people you know who are struggling. If you're not currently praying aloud together, consider the many positive impacts of doing so. You will be drawn closer to God, and to each other. Find a creative, practical, and free downloadable resource for fun ways to build prayer into you and your family's daily life, created by our friends at Concordia Center for the Family at:

### VOLUNTEER BACKGROUND SCREENING

Our Redeemer Lutheran Church has a strong, caring ministry with children and youth. To promote the safest and most secure as environmentally, all employees and volunteers, both new and existing, undergo background screening before working with younger members. Performing background checks provides safeguards and peace of mind to our staff, volunteers, parents, youth, and children.
